

16th Toronto Annual Sale

M-F Farms
Milliken, Ontario

Saturday, May 21, 1960

JIM ROSE

On the Front Cover . . .

Scene at Reford W. Gardhouse's Aberfeldy Farms, Milton, Ontario, another of the great herds consigning.

There is no greater concentration of superior Short-horn herds and outstanding stock bulls than in the area around Toronto.

Why not attend this sale on Saturday, May 21 and also visit these herds? It's the perfect time of the year for a short break in your daily routine.

Two members of the famous Briardale herd . . . **Calrossie Rocath Rosewood** and **Briardale Cluny Pauline**. This is just one of the famous herds consigning to this sale.

By the cattle sold for fifteen consecutive years, this sale has earned its reputation as one of the breed's outstanding sources of supply.

GENERAL SALE INFORMATION

SALE HEADQUARTERS — King Edward Hotel, Toronto. Make your reservations directly with them or advise the sale manager to make them for you. Miss Velma Wilson, Secretary, Toronto Shorthorn Club, 37 Front Street, East, Toronto (Phone Empire 38301), will also be glad to make reservations for you.

TRANSPORTATION — There is overnight train service both ways to Toronto from Chicago and other Eastern cities. Also, excellent airline service. We will meet your train or plane but please advise us in advance.

HEALTH — All of the sale cattle will be tested for T. B. and Bangs within 30 days of the sale, except officially vaccinated heifers in which case the vaccination certificates will be attached to their health papers. All health papers necessary for export will be furnished. Practically all of the cattle are vaccinated for Bangs, despite the fact that some of the owners did not so indicate in their footnotes.

SHIPPING CATTLE — We will be glad to assist in the shipment of cattle at buyer's instructions. As a convenience to buyers, cattle may be left for a reasonable period of time.

FARM PHONE — % M-F Farms, Milliken, Ontario.

GUARANTEE — All cattle will be sold under the standard guarantee. A certificate of registry and transfer in the Canadian Herd Book will be furnished for each lot sold. All are eligible for registry in the American Herd Book. An application for registry will be furnished for each calf at foot under six months of age and for each unborn calf. Where footnotes appear in this catalog, they were furnished by the owner or written from information supplied by the consignors. Neither the owners nor M-F Farms shall be responsible or liable for any accidents that may occur but will make every effort to provide for the safety and comfort of their guests. The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. The sale manager was retained for the specific tasks of handling the publicity and preparing the catalog, and has nothing to do with the handling of the cattle or condition of the premises. The sale manager, the clerk, or auctioneer assume no liability.

AUCTIONEER — C. D. Swaffar, Tulsa, Oklahoma.

SALE MANAGER — Don Longley, The Shorthorn World, 16 So. Locust Street, Aurora, Ill.

MAIL BIDS — Those wishing to buy, who cannot be present at this sale, may send their bids to any of the following: Harold White, Managing-Director, Canadian Shorthorn Association, Gummer Bldg., Guelph, Ont.; E. H. Stoltz, Eastern Fieldman Canadian Association, Aurora, Ontario; Don Longley, The Shorthorn World, 16 South Locust St., Aurora, Ill.; or to the auctioneer. Last minute messages will reach them at sale headquarters or M-F Farms.

These were sold by Sandoon in the 1958 Toronto sale.

TIME AND PLACE — Saturday, May 21, 1960. The sale will start at 12:30 p.m. It will be held at M-F Farms, Milliken, Ontario, which is the experimental farm owned by Massey-Ferguson Co., and managed by William Sutherland. It is 18 miles north of Toronto, and is located near Unionville, a town familiar to all Shorthorn breeders. A map on the opposite page shows the exact location of a few of the many great herds of the Toronto area.

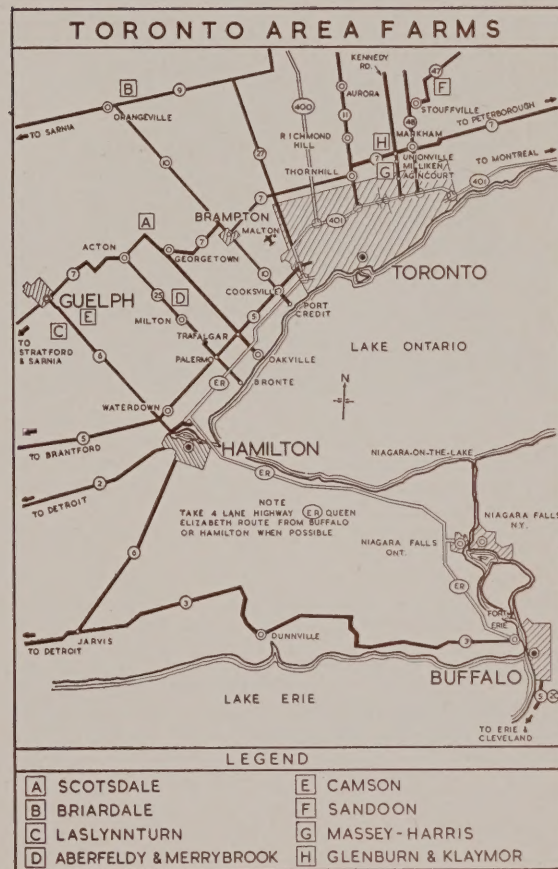

As I travel around the country, breeders often say, "I'd like to own good ones, with strong, appealing pedigrees, but I have to watch the money I invest." The answer is simple . . . *be in the right place at the right time.*

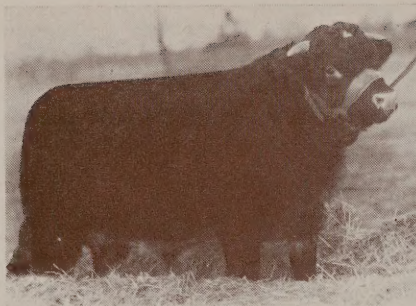

This is the right place and time . . . and history proves it. This is the sixteenth Toronto Club sale. Each time the cattle have sold at a fraction of the price these same consignors have received for similar productions at leading events such as the International. Those who take the time and make the effort to attend this sale have been well rewarded. Even knowing this, some breeders still cannot get away from home. If this is your problem, why not avail yourself of the buying opportunities by contacting any of the several fieldmen who will attend. They will be flattered by your confidence, will do a conscientious job, and will buy nothing unless it suits your instructions.

Improving your quality and pedigrees . . . year by year . . . is the time proven method of increasing your income. When cattle like these are selling at prices any cattleman can afford, is there any reason to own "mine-run" cattle?

Don Longley

Louada Augusta Queen, \$5,700 top selling female, 1959 Louada sale purchased by Dave Lorenz, Kansas City, Mo. Her full sister in that same sale, Louada Augusta Freda, brought \$4,100, and she is the dam of Louada Albion, Lot 1. Both are full sisters to Louada Fearless and Louada Augusta Kate, Royal Winter Fair grand champion female.

Louada Albion — Was purchased as a calf at foot in the 1957 Louada sale. He and his mother sold together for \$4,100. She is a beautiful cow, a full sister to Louada Fearless, the bull that has made such a record for The Hickories, Pardeeville, Wisconsin; to Louada Augusta Queen that sold for \$5,700 in the 1959 Louada sale, and to Louada Augusta Kate, the 1956 Royal Winter Fair grand champion. This young bull is worthy of his great heritage and should head a good herd.

Canard Madge 2nd, Grand Champion Female, 1957 Royal Winter Fair for Acadia Farms, Northfield, Ohio. Sire, Scotsdale Fairdeal, is also the sire of the dam of Lot 3, Scotsdale Napier. Janet Hendershot, Shorthorn Lassie Queen, is shown above with Dwight Griffith, manager of Acadia Farms.

Scotsdale Napier — Scotsdale Framsdén, Junior Champion Bull, Royal Winter Fair 1951, has proved to be an outstanding sire in Ontario. Canard Clipper 27th by Scotsdale Fairdeal, sire of the dam of Scotsdale Meteor sold at the 1959 International Congress Sale for \$2,000, and Scotsdale Planet, 1st prize Junior Bull calf at the Royal Winter Fair and 2nd prize at Chicago International 1959.

First prize Get-of-Sire, 1959 Royal Winter Fair. Sired by Scotsdale Jupiter. He is the sire of Lot 14.

Rothney Juggler. 1959 Royal Winter Fair Supreme Champion. The sire of Lots 12 and 13.

Those who have never seen the Scotsdale herd owned by S. G. Bennett, Georgetown, Ontario, have missed one of the greatest thrills in this business . . . and those who have seen it need no further sales talk in behalf of Scotsdale cattle.

No herd has amassed a greater show record in the past fifteen years at North America's two greatest shows . . . the International and the Royal Winter Fair. Every one of their champions would be worthy of long comment here, but the real measure of this herd's greatness lies in its ability

to produce champions and first prize gets, year in, year out.

Scotsdale bulls are improving the breed in every section of the continent. Only rarely does Scotsdale offer females . . . and three of their tops are being sold in this auction.

THE SCOTSDALE RECORD

ROYAL WINTER FAIR

Since 1947 Scotsdale has had seven grand champion bulls; three reserve grand champion bulls; four junior champion bulls, nine first prize gets; and in the last eight years two grand champion females and three reserve champion females. In the past five years they have won each year the get of sire, Premier breeder and Premier exhibitor awards.

SALE OF STARS

Was held from 1950-1958. Scotsdale had either the top selling or second top selling bull or heifer eight times.

INTERNATIONAL SALE

Scotsdale has made seven consignments. On six occasions, they have had either the top selling bull or second top, and four times the top selling female or second top. In 1955, with only two head consigned, Scotsdale had both the top selling bull and top selling female. In 1957 they had the second top bull of the Shorthorn sale, the top bull of the Polled Shorthorn sale. In 1958, the \$10,000 top selling bull (tie for the record in this sale) and the second top bull at \$5,000.

ONTARIO GOVERNMENT BULL SALE

Originated in 1951. On nine occasions, Scotsdale has had either the champion and/or the top selling bull.

TORONTO SALE

In the last fifteen years, at the Toronto sales, Scotsdale has had the top bull ten times, the second top bull six times, the top female nine times, and the second top female five times. A total of 117 Scotsdale entries sold through this sale have averaged \$997 and a total of \$116,645.

Scotsdale Lucifer, shown winning the Reserve Grand Championship, 1958 International. Scotsdale Bombardier and Scotsdale Jupiter were International Grand Champions.

Rothney Simplicity 3rd, Grand Champion Female, 1959 Royal Winter Fair. Her granddam was purchased from Scotsdale in the 1948 Toronto sale. Rothney Simplicity 3rd is a full sister to Rothney Juggler, Scotsdale herd sire and the sire of Lots 12 and 13.

Scotsdale Pixie Princess — Rothney Juggler was Supreme champion at the Royal Winter Fair 1959 and is the top son of Calrossie Highland Piper. His full sister was female champion at the Royal Winter Fair, 1958. Both were out of a Scotsdale bred female. Scotsdale Fancy Princess is by a son of Scotsdale Bombardier, Grand Champion, Royal Winter Fair and Chicago International, 1948. This heifer's fleshing qualities shows the concentration of Ransom breeding on both sides of her pedigree. She is a paternal sister to Scotsdale Planet, 1st prize Junior Bull Calf at the Royal Winter Fair and 2nd prize at Chicago International 1959.

Winning the Dryden trophy for first-prize get-of-sire at Toronto was S. G. Bennett with, left to right, **Scotsdale Lucifer**, **Scotsdale Butterfly Highness** and **Scotsdale Marshall**. All are by Calrossie Prefect.

Scotsdale Princess Patricia — Rothney Juggler was Supreme Champion at the Royal Winter Fair 1959 and is the top son of Calrossie Highland Piper. His full sister was Female Champion at the Royal Winter Fair 1958. Both were out of a Scotsdale bred female. Calrossie Princess Marlene is the dam of Scotsdale Explorer that sold for \$3,000. Two of her heifers sold for \$1,950 and \$1,000, and a son, Scotsdale Nairn, is now in the herd of Dr. Miller at Hannibal, Missouri. This heifer should make a top brood cow in any herd, and sells with breeding privileges.

This is where you will be going on sale day . . . M-F Farms . . . the demonstration farm of Massey-Ferguson . . . a most interesting trip in itself. Here under the capable management of Bill Sutherland, one of the provinces strongest Shorthorn herds is being developed. At various times of the year you will find large groups of Shorthorn steers on feed, with careful records being kept on rate of gain, feed conversion, etc.

Try to arrive early so you can enjoy a leisurely view of the cattle and the farm.

Briardale Delicia 3rd — An attractive daughter of our well known Cluny bull. She comes from the Delicia family . . . the same family that produced Princess Delicia 3rd, the heifer we sold at the top of the 1954 International sale at \$2,700 to Ashbourne Farms, LaGrange, Ky. Safe in calf to our newest imported sire, Glastullich Pilgrim by Bapton Captivator. His first calves are great.

Briardale Princess Delicia 3d. \$2,700 top selling female, 1954 International sale for Briardale, going to Ashbourne Farms, LaGrange, Ky. She has the same granddam as Lot 16, Briardale Delicia 3d.

The Briardale herd was founded by the late Col. Torrance Beardmore, a leader in industry who possessed a great love for conservation and imported livestock. It is being ably carried on by Mrs. Beardmore. Angus Muir is the manager.

A succession of one outstanding stock bull after another, rigid culling practices, have made this one of the breed's best. Briardale cattle have a remarkable "do-well" record for the many top herds that have purchased them. On the opposite page are heifers they sold in the 1957 Toronto sale.

Calrossie Rocath Rosewood. Col. Torrance Beardmore purchased this kind for the foundation of the great Briardale herd.

Briardale Clipper Classic — A stylish heifer from one of our favorite families.

SANDOON.....

Left, these six beautiful heifers were sold by Sandoon in the 1959 Toronto sale. Five more heifers from Sandoon of this same high quality will be sold on May 21.

Below, scene from the top of a hill at Sandoon. The bull in the foreground is Craggleton Permit, one of the great Sandoon sires of the past.

Some sixteen years ago, Mr. and Mrs. A. C. McDermott founded the Sandoon herd in one of the most beautiful settings to be found anywhere. Desiring to produce only top quality, they started with a foundation of about fifteen outstanding imported females. These were selected one at a time, with careful attention to bloodlines and individual merit. No effort has ever been spared to see to it that the very best bulls available headed the herd.

The herd as it stands today is the result of rigid culling and the selection of replacement females each year from the best producing foundation cows. Sandoon has been prominent in the major show and sale rings of North America. Their productions have been sold over a wide area. Ken Wyatt is in charge of the cattle.

Sandoon Broadhooks Natalie, Lot 18.

Sandoon Broadhooks Natalie — An attractive daughter of Philorth Ben More, 1955 CNE reserve grand champion. Bred Dec. 15, 1959, to Balbithan Red Admiral, first prize winner at Perth, 1957, and reserve grand champion 1957 C.N.E. Vaccinated.

The place to buy good ones is where the most good ones are produced. Year in, year out, experience has proved you can get this kind of job done at the Toronto sale. It is a sale where every animal has the quality and breeding you would consider taking home . . . and nowhere does your dollar stretch further.

Two of the first sons of Burnton Gordon. They are Tutira Mandate and Tutira Pioneer.

One of the strongest herds founded in the last decade is the Tutira herd owned by Mrs. T. C. Stuart. The farm is located near Arundel in the beautiful Laurentian Mountains. The herd is the result of Mrs. Stuart's own select foundation, combined with the well known Beattie & Gibbons herd, in which Les Gibbons, Tutira manager, was a partner. With that herd Tutira acquired Louada Goldspur, that has proved to be one of the top breeding sons of Calrossie Armada.

In 1957 they added the powerful Burnton Gordon at \$13,000 and later a group of outstanding females personally selected in Scotland. We are pleased to have consignments from two fine Quebec herds in this sale.

The Tutira Herd

This is Burnton Gordon, purchased by Tutira for \$13,000 top price of the 1957 Louada sale. He was the first son of Bapton Constructor sold in North America.

BAPTON CALVERT most recent addition to the Aberfeldy herd bull battery. First in class Perth 1959. A son of Calrossie Constellation from the MacGillivray Queen of Rothes family. The two Aberfeldy females in this sale are bred to him.

KINELLAR NOVELIST. One of the senior herd sires at Aberfeldy. His first crop of calves were brought out last year, making a fine record. One, purchased in dam by Les Mathers from Aberfeldy, was the International reserve junior champion. A daughter sells in this sale.

Since 1950 Reford Gardhouse has sold his Shorthorns to 235 different breeders from 33 states and provinces . . . and a big share of them have been repeat customers. Twice he has judged the Perth show in Scotland, and

last year he judged the International. These solid facts speak the most eloquently in testimonial of the man and the cattle. From his boyhood days, Shorthorns have been his life and no man has worked at the task of breeding good ones more diligently.

The Aberfeldy herd is one of the many internationally known herds consigning to this sale. Wherever their cattle are shown or sold you can depend on them being at or near the top.

Leveldale Augusta Chloe. Reserve Junior Champion, 1959 International. She was purchased by Les Mathers in dam from Reford Gardhouse and of one of the first daughters of Kinellar Novelist. Lot 25 is a half sister.

Aberfeldy Una Broadhooks — A show heifer from the great Calrossie Broadhooks family with some of the breed's top sires in the pedigree. Bred since February to Bapton Calvert, our junior sire by Calrossie Constellation.

Imp. Kinellar Novelist: his first crop of calves made an enviable record in the 1959 shows. Two sons were junior champion and reserve junior champion at the C.N.E. as well as many other awards taken by half bro-

thers and sisters. His first daughter was many times a champion in the Leveldale show herd and sold at \$2,300. His second daughter sold in our sale at \$1,650 to Acadia Farms.

Imp. Calrossie Una Broadhooks: a daughter of the great Calrossie Hyperbole, that has sired two Perth champions. Calrossie Una Broadhooks is one of the most attractive females in the herd.

Aberfeldy Clipper Baroness 3rd — The first daughter of Aldie Chevalier. Bred to Bapton Calvert.

Aldie Chevalier: sold in the International Sale to A. C. Gaunt, Lucknow, Ontario. Now owned jointly by A. C. Gaunt and Aberfeldy. His calves are promising.

Imp. Clipper Baroness: two previous daughters have sold at \$1,900 and \$1,000 to Kickapoo and Scotsdale. This heifer is her third.

Jean Franklin Sproston, Acton, Ontario, and Rosalie Howell, Devon, England, admire **Aberfeldy Clipper Baroness**, purchased in the Gardhouse sale for \$1,900 by Acadia Farms, Northfield, Ohio. She is out of the same dam as Aberfeldy Clipper Baroness 3rd, Lot 26.

Goldie 90th, typical Roslyn Flett production. She sold for \$1,200 in the Sale of Stars.

The Flett Herd ..

On his farm near Lindsay, Roslyn Flett has shown how a practical farm operation can be made more profitable with a select herd of really top quality Shorthorns. In the purchase of outstanding bulls, he has taken a back seat to none. Three excellent Louada bulls have followed in succession, upon what was already a strong foundation.

Louada Grand Slam. Sire of the top selling open heifer in the International sale. Sire, Louada Marshall. Dam, Princess Willa by Cruggleton Willingdon. He now heads the Simsdale herd. Lot 34 is well along in calf to him.

Simsdale Broadhooks 6th — A beautiful heifer that we feel will be a credit to this sale. Bred Oct. 15 to Louada Grand Slam. Vaccinated, blood tested, and from an Accredited herd.

No man ever had more friends in the Shorthorn business than W. H. "Tiny" Merry, whose death early this year was a loss to us all. The Merry Brook herd was close to all the members of his family, and this herd is being carried on by them.

Tiny exerted his tremendous energy and enthusiasm into the development of the herd. The brood cows were all top individuals. Kirkton Grand Alliance purchased for \$4,000 in the Campbell sale, has been a grand breeding bull. Most recent herd bull addition was Crichton Buzzard, purchased in the 1959 Perth sale and a half brother to the 1960 Perth Supreme Champion.

Merry Brook...

Above, Katherine Merry and her grand champion steer over all breeds, 1955 Royal Winter Fair. This steer was sired by Calrossie Armada.

Right, First prize group of three calves, 1955 C.N.E. bred and exhibited by Merry Brook and sired by Kirkton Grand Alliance.

Louada Battleship. Purchased by Merry Brook for \$5,000 in the 1957 Louada sale. Topped a class of 21 junior bull calves, 1957 International, and 14 at the Royal Winter Fair. Member first prize pair of bulls, 1957 International. Lot 35 is a daughter.

Merry Brook Augusta Maid 7th — A daughter of the \$5,000 Louada Battleship, first prize junior bull calf 1957 International. Sells bred to Crichton Burco, the son of Tolquhon Bosco that we purchased at the 1959 Perth sale. He is a half brother to the 1960 Perth champion, Crichton Buzzard.

Gloriadale Meteor 19th — First son of Gloriadale Meteor 5th x. Sold for \$1,075 in the 1960 Atlantic All Bull Sale, to Mrs. J. Mackay Smith, Farnley Farms, White Post, Va.

Gloriadale Meteor 16th x — Top selling Polled bull in the 1960 Atlantic All Bull Sale, Winchester, Va., at \$1,100 to Mr. J. McKenny Willis, Easton, Md.

GLORIADALE METEOR 5TH x — Considered one of the top Polled herd sires in the world. Gloriadale refused an offer of \$6,000 for this bull for export to Scotland. They also turned down another very attractive offer from an overseas buyer this winter. He weighed 1,950 lbs. at 33 months of age. One of the Gloriadale heifers selling is bred to him.

Polled Shorthorns...

Lots 36 through 43, females in this catalog, and two of the bulls listed in the bull section, are Polled Shorthorns. This branch of the breed is popular in both the United States and Canada and we are happy to present these good cattle as a part of this sale. It is our feeling these breeders have added "something extra" to the Polled picture, by the strong Scottish strength to their pedigrees. We believe, too, that Ontario Polled Shorthorn breeders will progress much faster by competing in the same show and sale rings with horned cattle.

In recent years a number of outstanding Polled Shorthorns have been brought into Ontario and Quebec. The Gloriadale productions have been admired by breeders from many countries. Mrs. Pitfield has two new herd sires, one of which placed second in a strong class at the 1959 International.

The 1959 International reserve grand champion Polled Shorthorn female was bred in Ontario and exhibited by Merry Brook Farms. The top selling Polled Shorthorn bull of 1959, Lynnwood Premier x, came to the Birmingham and Joyceton herds in Ontario.

Above, Oakwood Majestic x. Purchased by Mrs. W. C. Pitfield, Saraguay Farms, for \$3,200. Placed second at the 1959 International. Below, the 1959 International reserve grand champion Polled female shown by Merry Brook.

Gloriadale Meteor 5th x, as he looked at eight months of age. Two half sisters sell as Lots 38 and 39.

Gloriadale Ransom Juno 5th x — A beautiful, good headed, dark red, polled daughter of Birmingham Meteor x, out of one of our best polled cows whose sire Cruggleton Banker did so well at Birmingham Farms, and you'll recall that Cruggleton Banker sired Birmingham Orbit that sold for \$3,000 at the Toronto Royal at the Sale of Stars. She was mated August 10, 1959 to Gloriadale Meteor 5th and should calve just after sale date. The calf could be worth more than you pay for the heifer.

Loup Valley Gildy x — Here is an outstanding Polled cow. She is the dam of Elmnick Renown x, herd sire for Shelley Anderson, Glen Cross, Ont., and has produced two daughters which we are retaining for herd replacements. Bred to Alpine Juggler 7th x. Herd accredited, vaccinated and free listed.

Saraguay Farms, near Montreal, is owned by Mrs. W. C. Pitfield and managed by Monty Cowan. Keen judgement and care went into this herd foundation. Saraguay Farms were leading purchasers of outstanding Shorthorns in Canada, United States, and Scotland, with particular emphasis placed upon imported females. Such well known bulls as Muirside Landmark, Royal Winter Fair reserve grand champion, were produced here.

In recent years Saraguay has been developing a strong Polled herd, through the purchase of top Polled females, and through mating outstanding Polled bulls to their imported females. In 1958 Alpine Juggler 7th x was purchased from Alpine Farms in Missouri, and in 1959 Oakwood Majestic at \$3,200 from Oakwood Stock Farm in Ohio.

This sale is planned at the most beautiful time of the year in Ontario in the hope you will not only attend the sale, but will take a little extra time to see the many fine herds of this area. If you are coming by automobile, we will be glad to map out a tour for you. If you are coming by other means, we will be glad to see to it that transportation is arranged. A representative of the Canadian Shorthorn Association will be in attendance at this sale and will gladly help you work out details.

Every person owes himself a holiday away from his daily routine . . . and every breeder owes it to the future of his herd to become better acquainted with the great herds and stock bulls of the Toronto area.
